CERTIFICATE

Presented to

Tetiana Ivanenko

Ph.D., Associate Professor

Mykolayiv National Agrarian University

"Methods of simplified Program planning and automation of enterprise planning processes using the MAX software"

Dates: 11. April to 8. Mai 2022

This certificate recognises the successful development of skills in automating enterprise planning processes. The training course equals one study module and comprises 180 hours of work units (contact hours and individual work). It is credited with 6 ECTS points.

The University of Applied Sciences Weihenstephan-Triesdorf held the training course in frame of the DAAD Project Nr. 57565498 „German-language courses (DSG) in East Central, Southeast and Eastern Europe as well as the Caucasus and Central Asia“.

The following topics have been addressed in the course of the training programme:

- Gross margin calculation for agricultural production processes
- Overall operational planning, with the help of Program planning I
- Gross margin calculation using the Max software
- Data collection from sample farms
- Presentation and interpretation of different operating variants with the help of the Max software

Prof. Dr. Ralf Schlauderer
